Features / Comments

Another example of one of NZ's most popular compact hatchbacks, this Suzuki Swift is the "XG" model with the economical 1.2 litre engine matched to an automatic transmission which gives a smooth drive.

This model has "Idling Stop" which shut the vehicle off once stationary and kicks back into life when you release the brake to ensure that your fuel can be saved and last longer.

Great options with ESC, Dual airbags, Smart Key with Push Button start, Factory Privacy glass, Auto Air Conditioning, CD player and more!
